College Planning Solutions

Introduction to College Planning	This is an initial meeting to discuss the college process. This three-part virtual meeting begins with just the student. The second part of the meeting includes the parents and the final segment is just with the parents. All students start with this consultation so I can best advise families how I might be able to help them.	\$249
Comprehensive Package <i>(This can be billed monthly by credit card)</i>	This is a full service package that offers support and guidance in all aspects of college planning, including; an account with Maia Learning, a platform to organize all aspects of the admissions process, a testing plan, high school course selection, extracurriculars, summer advising, financial aid, merit scholarships, list building, leveraging ED1 & ED2 and college visits. This includes up to twelve schools, the essay for the Common Application as well as eight supplemental writing pieces with professional editing. Students can begin as early as January of eighth grade and ideally by spring of sophomore year. *Proprietary applications as well as the Apply Texas and the University of California application can be added and billed hourly if appropriate.	\$7,999
Rising Senior Package	This package is for seniors that includes the services listed in the Comprehensive Package, delivered on an expedited timetable, starting the summer before senior year.	\$4,999
Group Coaching	The group coaching option begins in January of junior year and meets monthly through September to walk students through the same curriculum that one-to-one students receive. Recordings are sent from all meetings and up to two hours of private meetings are included in this package.	\$3,999
Hourly Consulting	I offer hourly consulting, based on availability, to families that have done the Introduction to the College Process meeting.	\$249
	All packages are discounted 5% when paid in full by check. Prices valid through 2023
